

"Fours Legally"

Legal Assistance Center for Children

"Nyay Ke Sarthi"

Vision:

To bring specialized legal assistance to every child in contact with the justice system and strengthen the juvenile justice system in the country.

Mission:

To strengthen the justice system through collaboration , capacity building and research based advocacy and to ensure that children who come in contact with the law are provided child friendly-need based assistance, support and guidance.

About Us

Ehsaas working with children in difficult circumstances from the last 16 years, has done pioneering work in the field of child rights and specially child protection in the state of Uttar Pradesh, India at child, community and policy level.

Ehsaas is now endeavoring to expand its work in the area of "Legal Assistance", aims to provide support system to agencies as well as children so that justice is neither denied nor delayed. The center is a specialized unit of legal aid, where the child- right lawyers provide counsel and represent children and young people under 18 standing at a crossroad with law and provide- psycho-social help with a team of experts to cater to their emotional needs; by also exploring the channel of the restorative justice to the children.

We work with:

- ✓ Individuals
- ✓ Universities/ Colleges
- ✓ Government Organisation
- ✓ NGOs and other civil society initiatives
- ✓ Any other institutions and/or legal entities engaging with children

KEY INTERVENTION AREAS

Legal Assistance

Provide **legal assistance** to the children who come in contact with the justice system, in child friendly manner, helping them maneuver the different stages of the justice system.

Psycho-Social Support

Provide need - **based psycho-social support** to children in contact with law and provide a platform for restorative justice.

Certificate Courses

Provide specialized **certificate courses** on child protection and juvenile justice system for students and professionals.

Research

Undertake evidence-based **research** to improve child protection laws and its implementation. Conduct, publish and disseminate research studies on juvenile justice system.

Sensitization & Awareness

Generate **awareness** with the various stakeholders of the child protection system, especially the children on rights, duties and the legal system. Engage in advocacy and stakeholder dialogues to strengthen juvenile justice system and law.
